PAPA SEZ

FOR THE FUTURE

Our Nominating Committee is working on a slate of officers for our organization. We will be electing 4 officers to serve for the next 2 years—President, Vice President, Secretary and Treasurer. We will also be electing 4 Directors, and our outgoing President automatically becomes the 5th Director making a 9 person Board. These Directors will serve for 1 year.

To be an officer for PAPA at Chicago Executive you must be a pilot and a member of the organization. The commitment includes attendance at most (if not all) of the monthly Board meetings, and service in one or more of our areas of interest. Our current Directors have chaired events, managed Safety Programs, planned our participation in community events, managed the scholarship program, posted public relations notices, and provided liaison with the CEA office.

Many hands make lighter work—and there are so many different areas of interest that your participation can be tailored to your own interests and abilities. We are not mired in tradition and are happy to explore new ideas and new ways to accomplish our goals. We even would be happy to explore new goals!

Many members join us for a special project and find that they enjoy the activism and wish to continue. But others move on and new blood is needed to keep the work load pleasantly light.

We do good work. We want to continue to do so. With your help we can.

Contact Mike Schab, Barry Axelrod or Guru Prasad. Their contact info is on page 5. Let them know that you want to help. You will be made to feel welcome.

WHAT PAPA DID IN AUGUST

PAPA members met on August 22 for our annual Membership Appreciation Picnic. Our leader for this event was Keith Miller—who arranged for all of the details and hosted a wonderfully successful event. Almost 100 people attended. See article and photos on page 7.

PAPA members met on August 13th for our regular monthly Board meeting. Due to Atlantic's remodeling, we met at Chicago Executive Flight School's Conference Room. We conducted our regular business, including discussing with the Nominating Committee next year's Board and Officers. New volunteers are always welcome. You could help!!! Please volunteer to be a part of it.

PAPA members attended the August meeting of the Chicago Executive Airport Board. Several PAPA members volunteered for "Feed My Starving Children" hosted by Preister Aviation. In one of the 6 two hour sessions we packed 127 boxes—each holding 36 bags with 6 meals each. That's 27,432 meals. The organization ships these nutritious meals to countries around the world.

We continue our strong commitment to providing a flow of information from the pilot community to the Chicago Executive Board and from them back to the active pilot community.

Join us in making a commitment to excellence - in safety education, in representation of the CEA pilot population, in working for improvements at KPWK, and in providing scholarship opportunities for worthy aviation students.

PAPA members fly for business and commercial purposes, give flight instruction, take flight instruction for recurrent training and for new ratings, fly for breakfast, lunch and/or dinner, and just fly for fun.

Did you fly this month?

MEMBERSHIP RENEWAL IS NOW DUE.

You have received a bill and a survey via regular mail. Please mail in your payment to 1005 S Wolf Rd Ste 106, Wheeling, IL 60090 or pay online with PayPal. \$30.00. Thank you!

A VISIT FROM OUR FLORIDA MEMBER

Past PAPA Presidents were out in full force last month while our old friend and co-founder Barry Dainas was in town. Barry Axelrod, Barry Dainas and Madeleine Monaco were the founders and first three Presidents of this organization 25 years ago and are all happy that it continues to thrive.

We got together at Hackney's on Lake in Glenview. No business was conducted but you can see that a large number of past presidents and officers came along to visit, reminisce and tell stories.

Barry and Ronni Dainas and Guru Prasad

Ray and Mary Dash

Madeleine Monaco, Chris Pesche, Alyssa and Ken Riesterer

Sophie and Jim Loerzel

Barry and Holly Axelrod

Rick and Connie Bogoff

Ray and Pat Granzow

Maybe we should hold a mandatory Past Presidents meeting in Spruce Creek Florida (where Dainas's now reside) this winter.

ANNUAL MEMBERSHIP APPRECIATION NIGHT

On August 22, 2012 the PAPA At Chicago Executive held their annual event—the much anticipated hangar picnic. Under the direction of Keith Miller, PAPA Director, we celebrated summer at the airport. The weather was absolutely outstanding. The food was delicious. The company was great. The event was a big success.

Thanks to Jim McLennan for the use (again) of his Hangar 13.
 Thanks to Signature and the CEA office for tables, chairs, coolers and a PA system.
 Thanks to John Hecker for all of his assistance in set up and tear down.

Thanks to Carol MacCabe for presenting + speaking for Young Eagles and the new adult Eagles Program
 Thanks to Mike Haupt for presenting and speaking Aviation Explorers.
 Thanks to Lora Yowell of Aviation Universe for presenting and speaking for ORD Airport Watch.
 Thanks to Major Bob Dempsey of the PWK Squadron for presenting and speaking for C.A.P.
 And thanks to all of the members who attended.

PRESENTATION OF SCHOLARSHIPS

Jim Kwasek, President (left) welcomes the attendees, while Mike Schab (right) stands by to introduce the winners of this years scholarships.

Neither Brittany Majewski (\$1000 winner) nor Kevin Grandberry (\$500 winner) were able to attend, as they had both started school by the time of our presentation. Checks to help with their aviation education have been mailed out.

MINI EXPO

Cris and Norm

Mike Haupt (left) for PACE and Aviation Explorers.

Carol MacCabe (right) for EAA Young Eagles and the new Eagles Program

EXTRA SPECIAL EVENT

We had a cake and sang Happy Birthday to Cris from the airport office.

Our mini “expo” was well received and provided an extra advantage for our members, family and friends. We thank every member who worked on this event, who attended this event, and who will try to attend this event next year. It really is a great time to get together and share our love for aviation. Old friends and new ones are always welcome.

JOIN US NEXT TIME.
